Mike Labadie: TRF Chair

by Kleeberger, Bruce

In the spirit of our "Founding Fathers Vision" (which can be viewed under **Downloads** on the website homepage) Mike reports that we have been very active as a club in our International focus.

In addition to the Wheelchair project to the Yucatan, Mexico, and the Rotary Dental Clinic Guatemala, Mike is happy to report that we will be applying for Rotary International (The Rotary Foundation) support of a program for Argentina/Chile involving provision of clean drinking water/wheel chairs early in the Rotary year (beginning July 2008). These will be matching grants which will be supported by our **Paul Harris Society** contributions, and funds from our local fundraising activities. Watch your Rotary \$\$\$ go to work!

by Kleeberger, Bruce

President Lyle wishes to remind all members that our goal for attendance of each members is at least 80%. Those who require assistance in making up missed meetings ("**make-ups**") should see Lyle or Cass for support.
