### March 6: Mariana Cerqueira

Mariana Cerqueira our Rotary Exchange student from Brazil provided us with a beautiful slide presentation....

In discussion she touched all four corners of her homeland, speaking on topics of culture, sports, economics, demographics, politics, and the social diversity of each geographical area. What with M's stunning slide show, her charm and her infectious laugh everyone present was ready to board a plane to Brazil! A big thanks to Mariana for putting up with all our technical difficulties and for providing us with a wonderful evening; and yes Alf, Brazil has won FIVE soccer championships.

### Auction

Mike Labadie had fun in his role as the bearer of auction items; he initially presented a knock off Mont Blanc, three Mike Labadie pens and a copy of the book titled "End Poverty". Mike then upped the ante encouraging those present to bid on the entire package, which included a Howe Sound sunset flight for two. Bidding started at \$100.00 with Jeff Hector procuring the final bid at \$350.00. For those of us who will not be going on the flight, Mike will be circulating a copy of "End Poverty". **Yeah Mike** for creating such a relevant and fun filled package. Next week's auctioneer will be **Judy Portman**.

**The gift of Mobility! Will you be part of it?**

by *Kleeberger, Bruce*

Who is this 100 year old lady? You just made a difference in her life! The White Rock Peninsula PHS Club will travel to Mexico to distribute at least 75 wheel chairs where they are most needed. To find out how you can join this unique opportunity to make a difference in the world....

She is sitting in one of 280 wheel chairs which will be distributed by Rotary and the Wheelchair Foundation in Mexico April 17 to 21. She received it on her **one hundredth birthday!**

Each chair is valued at \$100 and chairs are now available to be sponsored. Each sponsor receives a photograph of the recipient with their new chair, a certificate, and tax receipt.

All White Rock Peninsula PHS Rotary members are welcome to travel to Mexico to present the chairs, including any that they have sponsored. Contact Martha Delgado-Wolfe at [matus@shaw.ca](mailto:matus@shaw.ca) for information on arrangements. 75 wheel chairs are being provided by the White Rock Peninsula PHS Club as it's first international project.

The Rotary club in Cancun will be hosting the Canadian delegation who will be travelling with DG John Bosch. They need to know how many members will be joining this project. They are trying to find a good hotel rate for all of us but in order to do this we need to let them know how many members from Canada will be going.

Please email Martha DelgadoWolfe at [matus@shaw.ca](mailto:matus@shaw.ca) and let her know if you will be joining this project.
