### Nicole Worden sows SEEDS by Kleeberger, Bruce

Our 13 May meeting Guest Speaker was **Nicole Worden**, Public Relations Consultant for the Self-Employment and Entrepreneur Development Society. She spoke on this initiative to support development of small business in Canada.

The SEEDS program is a federal government supported program. It is directed towards people who are unemployed or under employed, and typically on Employment Insurance. It offers support and training in starting a business, including direction towards avenues of start-up capital. It is an alternative for people with ideas for business opportunities in their communities to re-training programs for new careers.

Mentorship opportunities exist for interested citizens. Contact the program in the Lower Mainland at **604 590 4744**

Also Nicole mentioned the Kiva (micro-loans to the developing world: Loans that change lives for as little as \$25).....Now THERE is an idea for a entire speakers presentation for our Club!

President Lyle thanked the Westcoast Sideshows Grill for it's excellent meals and support these last several months and announced that the next venue for our Club will be the Rockwells, at the Pacific Inn on King George Highway, beginning the first meeting of June.

Darrell Denomy brought \$40 in gift certificates to the meeting for auction. They went to Dennis for \$65 and he annointed Lila as the next lucky member to participate in the auction.
