

District 5810 2011 Conference on an Alaskan Cruise

Join your fellow Rotarians on an Alaskan cruise for our 2011 conference! We are already taking reservations, with the best cabins (and potential upgrades!) going to those who reserve and make full payment first.

The proposed itinerary includes the seven-day cruise with conference activities scheduled during the days at sea. We are coordinating with the Juneau Rotary Club for service activities while in Juneau. Other wonderful sights will include cruising the incredible Glacier Bay. Just ask yourself...

How does it feel when a monumental chunk of ice splits off a glacier and crashes into the sea? The sound is like thunder. The impact shoots water hundreds of feet into the air. You hold your breath as you catch the moment on film. Then you wait for it all to happen again. And it does. Glacier Bay has more actively calving tidewater glaciers than anyplace else in the world.

We have reserved group space and prices include all Rotary 5810 district conference events when booked through Cruise Control.

**Alaskan Cruise on Holland America's
Oosterdam** departing Sunday, May 8,
2011

DAY	DATE	PORT	ARRIVE	DEPART
