A Message from RI President John Kenny

There is no shortage in this world of people able to imagine a better future. But in Rotary, we do not just imagine that future -- we will it, and we work to create it. This we do through our two great strengths: our Rotary clubs and our Rotary Foundation.

It is my hope that with the help of the Bill & Melinda Gates Foundation and Rotary's \$200 Million Challenge, there will soon come a time when we will be able to say we have made polio a thing of the past. For if we fail now, we will fail ... every child to whom we made a promise. If we fail, we risk our own good name, and the good name of all the Rotarians who came before us.

We will not fail. We can and we must succeed.
