Come join the fun!

In May 1985, Dr. Gordy Klatt walked and ran for 24 hours around a track in Tacoma, Washington, ultimately raising \$27,000 to help the American Cancer Society fight the nation's biggest health concern cancer. A year later, 340 supporters joined the overnight event. Since those first steps, the Relay For Life movement has grown into a worldwide phenomenon, raising nearly \$5 billion to fight cancer.

*Please let Team Captain Gerald Gentry know what time you would like to walk on the track.*
