LAST MEETING: 4/18/12

By: *Lou Walsh*

President Andy dropped the puck and a fight immediately broke out as the meeting was called to order. He welcomed everyone and called for a silencing of cell phones.

I gave the invocation, on an emergency basis, and reminded everyone of what a wonderful life we have and we should be very thankful.

The pledge and singing was led by Dolores Nypaver with maestro Hall on the piano. The Club did a stirring rendition of "Hockey Days Are Here Again". It was piped directly into the Penguins Locker room and should boast the morale considerably. Few people know that our own Terry Dougan composed the lyrics.

Good news from the floor was interesting as usual but you had to be there to enjoy it.

Secretary Kirk Chambers brought us up to date on the Club news and showed us what a great job he can do. He thanked Wynne Fedele, Guy Tumolo, Lisa Blaney-Stewart, et al for club service. Kirk also tried a quiz on a member's secret, life time antics which were shocking but the entire group knew in an instant that it was Ethan Nichols.

NEXT MEETING

Date: April 25, 2012
Speaker: Jenn Carr
Title: Program Manager
Organization: Community Auto
Topic: "Helping Low Income Families
with Their Transportation Needs"

Our Student of Distinction was introduced by Patty Naleppa who had to fill in for a sick school counselor and did a super job. The student was Cate Howes from Sewickley Academy. She is into chorus and theater arts and helping others in her community. Cate will attend Colgate University in the fall where her brother is already a student. She will study environmental management.

Three Minutes of Fame was presented by Lexie Wukich who is an attorney with Harris Wukich. Lexie met her law partner in a bar playing beer pong. Who hasn't done that? We learned she is an avid runner who is preparing to run a marathon and is also a golfer.

Lisa Blaney-Stewart did double duty today by also introducing our speaker who incidentally is her boss. I hope he appreciated what a great job she did in just two sentences. Our speaker was Steve Wirth, President and CEO of SynergIT. His firm specializes in moving information on the internet in "The Cloud". Believe me his talk was way too deep for this humble reporter but he had the crowd under his spell.

The essence is, if you are a big computer user and you want to speed up you operation and not lose your data give SynergIT a call. They will solve your problems in "The Cloud". Everybody looked interested but I doubt if they could pass the final.

It's a Great Day for Rotary!
