LAST MEETING: 12/21/11

By: *John Chamberlin*

Was this the first meeting of Spring or the last meeting of Fall? It was hard to tell given the weather. But nobody was complaining.

This meeting was the last meeting of 2011 and the mid-point of President **Andy Dlinn's** Presidency and here's a quick wrap-up. **Ray Amelio** provided the invocation to start the meeting. We were then lead in song with **Jim Hall** on the piano and **Larry Story** leading our singing of "Joy To The World."

President **Andy's** comments once again acknowledged **James Gourlay** and the River City Brass Band, **Sally Mizerak**, **Linda Clautti** and **Lynne Scanga** and the LeMont Restaurant for a great Holiday Party.

He also thanked a number of people who participated in the recent Caring Habits at the South Hills Middle School and the most recent New Citizens Reception.

Secretary **Margaret DeLeeuw** then welcomed everyone with a few comments including acknowledging birthdays and club anniversaries.

We welcomed 2 new members, **Dan Poirier**, Vice President for First Commonwealth Bank in the Business Banking division and **Barbara Johnson**, Esquire.

President Andy then gave a midyear report including:

- Reminding everyone that the January 11th meeting

will have a great speaker, Jim Bowen, CEO of First Trust. This would be a great time to invite a friend, i.e. potential member.

- The goal for membership by June is 130 members. The "outreach" events we have had and will continue to have are a great way to showcase the benefits of our membership and the reason why the Pittsburgh Rotary Club is "the" club to be a part of.
- The recruiting profile for new member has been changed. It is online and, we are finding that, if people are interested in being a member, they are taking the time to complete the entire application which is helping to filter through the applications.
- The Club's Strategic Plan is being acted upon. Andy is happy with the progress since putting this into action.
- Andy has begun the weekly feedback email regarding all of our meetings. The feedback has been helpful.
- Earlier this year Foundation reduced the admin fee paid to the Club. With the new structure 25% of all fundraising activities go to club operations.
- One final item that Andy would like to still like to implement are the "business visits." In the past, this was a function where a member would host an evening "mixer" at their place of business and explain a little bit about what they do.

The rest of the meeting ended with everyone taking time to get to know each other at their tables. Andy wants to continue member interaction so that we all have time to learn more about each other, personally and professionally.
