www.rotary.org

#### District 7300 Governor

Cindy Sakala  
www.district7300.org

### LAST MEETING: 5/25/11

By: *Julio Rivera*

The meeting was started with Past President **Ells Bowser** and **Jim Hall** on the piano leading in "Battle Hymn of the Republic," the song of the day. **Guy Tumolo** provided the invocation.

#### President Linda, in her comments:

- Thanked the volunteers who helped out with the New Citizens Reception last Friday: **Andy Dlinn, Frank Allison, Ed Nazareth, Charlie Moshier, Phyllis Comer, Alan McIvor, Michael Marmo, and Scotti Mulert.**
- Asked to please to join our Rotary Club of Pittsburgh group page on Facebook.
- Next week Rotary International President Ray Klinginsmith will be our guest speaker. It will be a sit down meal. An RSVP is required.

**Jim Ludwig**, Secretary actually had time for a proper Secretary presentation! In his presentation Jim gave us a history tidbit. In 1913 the Live Steam newsletter staff designed a locomotive and cogwheel for its logo which later became the cogwheel logo of Rotary.

**Ethan Nicholas**, President of the Pittsburgh Social Exchange, then introduced new member **Michelle Silverman**, Realtor with Northwood Realty Services. Welcome Michelle!

### NEXT MEETING

Date: June 1, 2011  
Speaker: Ray Klinginsmith  
Title: President  
Organization: Rotary International

**Peter Smerd**, Club Treasurer and President of Boulevard Building Inc.; spent some time discussing dues and pre-paid meals for the upcoming Rotary year (July 1 – June 30) and where we stand.

**Jim Droney**, Past Club President and President of Mt. Lebanon Office Equipment then gave an update on the Centennial Celebration. We are only one week away!

**Jim** then introduced speaker Andy Masich, President and CEO of the Senator John Heinz History Center. Andy shared a wonderful video which showed 80 major world innovations started in Pittsburgh. He then discussed some very interesting facts:

- The Center is an affiliate of the Smithsonian.
- Largest History Museum in Pittsburgh.
- Pittsburgh was originally seen as the gateway to the West.
- A city built on industry; Coal, Steel, and Iron.
- Pittsburgh was ripe for entrepreneurs, who added human resources to the existing natural resources and used the three rivers as a major marketing tool.

At the close of the meeting **President Linda** led us in the reciting of "The Four Way Test" and wished everyone a happy Memorial Day Weekend.

# It's a Great Day for Rotary!
