LAST MEETING: 2-23-11

By: *Cherie Moshier*

President **Linda** opened the meeting and showed off our new 100th Anniversary banner (thank you, Anonymous!). **Jim Ludwig** gave the invocation and **Dick Hodgdon** led us in singing "Pennsylvania" accompanied by **Jim Hall** and with your reporter singing back-up (OK, did no one else learn this song in 5th grade?!) I still can't believe I missed singing "I've Got You Babe" last week.

Linda thanked the volunteers at the New Citizens' Reception last week: Chairman **Andy Dlinn**, **Richard Dixon**, **Ed Nazareth**, **Scotti Mulert**, **Robin Zoufalik**, **Jim Ludwig** and **Clarissa Prosser**. Clarissa was a first-time Emcee and did a great job.

John Chamberlin updated is on the Rotary Youth Leadership Awards that will be held this year from July 10-15 at LaRoche College. This program is for rising high school seniors and Rotary Clubs from around the District will help sponsor attendees. The college also kicks in \$5000 for students who later attend LaRoche, what a deal. Encourage kids you know to check it out.

Lots of Good News today! **Kelli Robbins** told us that **Bob Fragasso** was ranked as a Top 5 financial wizard by *Barron's*, **Sam Reich** is departing for sunny Florida and celebrating his grandson being admitted to RIT, **Linda Clautti** received approval for a new K-5 charter school from the Pittsburgh Public Schools, and **Ray Amelio's** expecting a third grandchild in September and celebrating 15 years anniversary of Fragasso Financial Group. **Richard Dixon** pointed out that the GOOD NEWS is we have great programs in Rotary, and we have enough money to support them, but the BAD NEWS is...that money is still in your pocket.....

NEXT MEETING

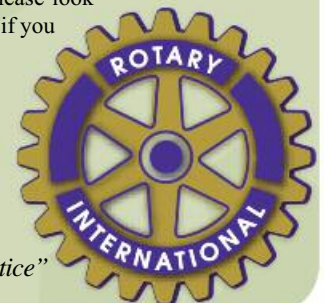

Date: March 2, 2011
Speaker: Joseph Aracri, DO
Title: Pediatrician
Topic: "Physician Entrepreneurship, Managing a Medical Practice"

Jim Ludwig gave us three truths and one lie about **Karl Ohrman**. This is a great feature of the meetings- gets us thinking and we learned more about one of our more active members, too. Jim thanked **Harry Corbett**, **Jack Kerr**, **Guy Tumolo**, and **PK Weston** for providing club service today. And we sang a rousing Happy Birthday to **Jim Wood**.

Birthday guy **Jim** updated us on the Ethics Symposium. This will be held at the Duquesne University Power Center on May 11th. YOU can help by volunteering on that day, by sponsoring or obtaining sponsors, and by helping to contact schools. Really, this great program depends on high school Social Studies teachers as the final link in the chain- if you know them, get that information to the committee.

Lynne Popash, **Lynne Scanga**, and **Jim "Lynne" Droney** are hard at work on the Centennial Gala which will be held on June 3rd. Actually, the festivities begin with our Club meeting on June 1 which will feature Rotary International President Ray Klinginsmith as our speaker, and continue through a roundtable discussion on Thursday with the Stuttgart delegation and other members of the German-American Business Association. Save the date and stay tuned for more...

And then the highlight of the meeting- an extended preview of the movie "The Shot Felt 'Round the World" by Carl Kurlander at Steeltown Entertainment, which of course is all about the development of the polio vaccine, but includes interviews with many of the medical and research team members, and archival film that shows the devastating effects of polio on individuals and the community. Steeltown is sponsoring a video production contest aimed at high school students in conjunction with this. I think we'd have sat there all afternoon to see the whole movie, but the William Penn Ballroom turns back into a pumpkin at 1:35. Please look for an opportunity to see it if you had to miss the meeting!

It's a Great Day for Rotary!
