LAST MEETING: 10-6-10

By: Ben Luffey

President Elect **Andy Dlinn** opened the meeting stepping in for **President Linda Fischer** this week. **Ray Amelio** provided the invocation and then it was **Dolores Nypaver** leading us in the Pledge and a peppy version of "Zip-A-Dee-Doo-Dah" before the meeting got down to business.

Chuck Tanner Publicity Chair **John Chamberlin** announced that the baseball manager of the year winner has been selected and while we will await the formal press release before spreading the word I can say the winning coach heads a team in Pennsylvania. Sponsor Chair **Richard Dixon** then reminded the club that much work remains to be done for the Chuck Tanner event and that 100% club participation is essential for this event to be a success. There are many ways to support the event from ticket sales, to donating auction items, to helping setup or clean up. Please follow up with Event Co-Chair **Mike Smith** and get involved.

Al Wells stepped up to remind the club that our Caring Habits program starts up again next Tuesday (10/12) at South Hills Middle School. We are still looking for additional club members to step up and take part in this program that is now in its 9th year. Please contact Al if you would like to participate in this wonderful program. The goal is still to have 17 Rotarians take part so that each classroom can be a part of the program.

Next up it was club member **Jim Wood** introducing our guest speaker this week **Jim O'Brien**. Mr. O'Brien

is a well know, award winning, sports writer who was born in Hazelwood and then went on to the University of Pittsburgh. He has written for newspapers in PA and Florida and has authored more than 20 books, many of them about local sports teams and/or players.

The Pirates are a special interest to Mr. O'Brien specifically the 1960 World Series team that he regards as his favorite of all time. Many of his books cover that legendary series which, as most of us know, was won in dramatic fashion when Bill Mazeroski hit the game and series winning home run in the bottom of the 9th in game 7 of the series. Many still consider that the greatest homerun of all time.

As next week (10/13) marks the 50th anniversary of that legendary game Mr. O'Brien talked about the group of fans who will be meeting at the remains of the outfield wall to sit and listen to an audio recording of the game. Apparently this practice began quietly a number of years ago by Sal Finkelstein and once Mr. O'Brien reported on his practice the crowds began to grow each year. He expects the crowd this year to be especially large and Mr. Mazeroski has even committed to making an appearance.

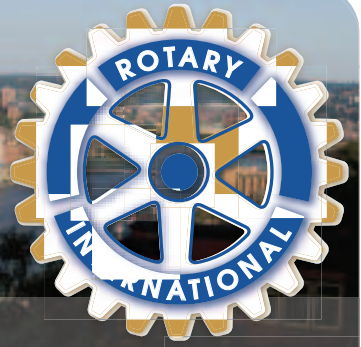

Mr. O'Brien has a seemingly endless number of stories regarding legendary players from the Pirates and the Steelers as well as their legendary announcers Bob Prince and Myron Cope. Mr. O'Brien is an entertaining speaker for any Pittsburgh sports fan.
