LAST MEETING: 10-20-10

By: Andy Dlinn

The meeting, called to order by **President Linda**, got off to a great start with an invocation by **Lou – Lou – Lou!** Then **Don Shaw**, with his melodious diphthongs, led us in singing “Oh What a Beautiful Morning.”

Linda then recognized volunteers for the New Citizens Reception which had a very special program last Friday. **Alan McIvor**, adorned in his official Kiltie uniform, played the bagpipes beautifully in honor of a very special Scottish new citizen who’s father came all the way from Scotland, also wearing his Kiltie uniform. All those new citizens had a day they will never forget! Put the third Friday of each month on your calendars and plan to join them.

If you haven’t sent in your form for your new Rotary badge...stop procrastinating and do it today. We need to get everyone’s form so we can get the order in. This is our Centennial year and we want to look our best! Thanks to **Peter Smerd** for helping to underwrite the costs.

Linda then mentioned that **Scotti Mulert** will be honored by Junior Achievement, November 3rd at the Rivers Club and urged members to attend.

Mike Smith made another important appeal for the Chuck Tanner event which is rapidly approaching. He urged members to buy tickets whether or not they can attend. Then donate them back to be a part of the event’s success. He even offered a 20% commission on ads that members solicit. “Such a deal!”

Jim Ludwig recognized “fancy fingers” **Jim Hall** for 46 years of service of service (Whew!) and we then sang Happy Birthday to **Karl Ohrman**.

John Chamberlin mentioned World Fellowship Day November 15th and said that Bill Gates may show up. Middle and High School students are urged to submit video entries and **Linda** reminded us that she is planning a multi-cultural dinner coming soon.

Jim Droney introduced our speaker Mr. Beaver Shriver with Frontiers Travel. Mr. Shriver explained that his firm is not just another travel agency but takes clients on customized, extreme vacations to remote parts of the world. He had a startlingly beautiful slide presentation that began with shots of fly fishing all over the globe. That got **Don Shaw** and **Bob Overbaugh’s** attention real quick! He even showed how to fly fish offshore for marlin. And if you felt like he was just “floundering” around, he then “baited” us with breathtaking slides of European bird hunting and pictures of the Galapagos. He then “hooked” us with slides of his *Elegant Journeys* depicting gorgeous locales like Boca Paila, Mexico, Yucatan Mayan Ruins, Seychelles, barging in Europe and for those low-budget types, even a trip to Bahamas! His slides of Christmas Island were captivating. He told us he met the president of the Christmas Island Rotary club. They have medical supply issues. Hmm...could be the next project. Anyone for Christmas Island? Great ham radio destination!

Meeting adjourned on time...as usual!
