### LAST MEETING: 9/14/11

*By Lou Walsh*

It was a beautiful day in the "Burgh". The cheerleaders and pompoms were at their best. **President Andy** took advantage of the moment to ring the bell and pull us all back to reality.

**Ray Amelio** did the invocation and reminded us to be thankful for what God has given us and be willing to share what we have.

The pledge and singing were led by **Dolores "Diva" Nypaver** and **Jim Hall** on the ivories. This magical duo "knocked'm dead" with a stirring rendition of "Home on the Range".

The Good News was great but you had to be there to enjoy it.

**Secretary Margaret DeLeeuw** brought the membership up to date on the club's coming and goings. She also has a "special intention" that all of you can pray happens for her. She also celebrated her two year club anniversary this month.

The following members provided club service this week: Badge Board - **Jeff Martin & Dick Kann**, Registration - **James Gourlay**, Cashier - **Guy Tumolo**, Selling 50/50 - **Mike Smith**.

**Jeff Martin** introduced our newest member **Gerald Johnson**, PhD and Senior Vice President for Quality and Compliance for Foundation Radiology, Inc. He was a founding member of the company which now boasts

50 doctors. He did tell us that he does not live next-door to Jim Wood. (It was an inside joke, you had to be there.)

**Linda Fischer**, our latest past president had the honor of introducing our District Governor Sue Kelly and she did her usual wonderful job.

Sue Kelly is a member of the Carnegie / Collier Club and has been a member for 30 years. She opened her remarks by bringing greetings from the President of Rotary International.

Interestingly, District 7300 turns 100 next year which means our Club is older than the District.

The emphasis this year is on three fronts:

- The First is family: your family, Club family & the international family of Rotary.
- The Second is continuity: of Rotary, our projects and programs.
- The Third is change. Accept positive change, learn and grow from it and with it.

Ruts are hard to see out of. The District would like to see every club come up with a new project here at home.

There are a lot of events coming up in the District this Rotary year. Keep you eye on the bulletin and get involved.

Sue Kelly left us with thought: If you embrace Rotary, it will embrace you.
