Today's meeting was held at the new Grandstay Hotel in the breakfast/meeting room. Dixie explained that the cost of lunches has been raised at the Grumpy Troll and we are looking at other possible locations for lunch. The Cost of the catered lunch from HyVee was about \$225, incidental expenses of about \$10 and the rental of the room was \$25 (discounted because some of the owners are Rotary members) for a total of about \$260. Grumpy costs over \$300. Next week, we will check out the Old School House.

The group toured the hotel. First stop was the Pool and Hot tub. These areas are open to the public for a fee on Monday thru Thursday. Passes are available and include Senior, Family and books of passes.

We saw four rooms including a standard room, executive king suite, king whirlpool suite and a deluxe king suite with two rooms.
