Program: Bob Vanden Burgt is one of the Assistant District Governors for our District 6250. There are 12 of them. He is our ADG and a member of Madison South Rotary Club. He said that one of his great pleasures is visiting Rotary Meetings around the world. One of his Rotary jobs is to work on the President Elect Training Seminar (PETS) which is held in Spring in Illinois. He is ADG for Madison Downtown, Madison South, Mt. Horeb, Sauk and Oregon. His club runs the brat stand near Camp Randall. They make around \$60-80K annually and grant about 50K each year. All tips go to Polio Plus. There are about 80 people in his club and it takes about 40 people each time they run the Brat Stand.

All of us should find out where Darboy, Wisconsin is so we can surprise the DG with that knowledge when she comes to visit on October 21.
