1st Annual Grocery Grab—Nicki Klein described a new fundraising project which Lincoln South Rotary is doing in connection with Russ's Markets here in Lincoln. 499 raffle tickets will be sold at \$10 per ticket (or \$25 for 2 tickets). On April 22, there will be a random drawing from the tickets and the winner will receive a 3 minute shopping spree (with a max value of \$1,000) at the Russ's Market at 33rd and Hwy 2. The shopping spree will take place on April 30th. We are asking each member to take a bundle of 10 tickets to sell. Contact Nicki Klein for tickets at nklein2@neb.rr.com

World's Biggest Commercial—Lincoln South Rotary Club Members and friends are part of the World's Biggest Commercial. Go to www.endpolio.org to see the entire commercial. All members are encouraged to post a photo to the commercial and then post that photo through Facebook and send as a link by email to friends and family. This is all part of the Lincoln South Rotary Club's significant Public Relations effort to spread the word about our efforts to eradicate polio in the world. For guidelines on how to post a photo, go to the Downloads page of the Club website and open the instruction document. We are hoping that most of our members will participate. This effort is an important part of the activities to earn the points needed for the Rotary International Presidential Citation.

Charlie Schilling, Assistant General Manager of the Pinnacle Bank Arena gave an overview of the progress at the facility. He, along with the General Manager, Tom Lorenz are employees of SMG Management out of Philadelphia, Pennsylvania. He noted that the City of Lincoln owns the building – is managed by SMG – and leased to the University of Nebraska. Capacity of the venue for a concert is anywhere from 12,300-14,000 seats depending on the angle of the stage performance. They also have the ability to do a “half house” concert with setting from 4,000-9,000 people.
