Notes & Announcements

Golf Outing—Due to inclement weather the Lincoln South Golf Outing has been RESCHEDULED for Friday May 24th at Hidden Valley golf course. We are looking for 20 teams this year. This year a sack lunch will be provided by Brown Baggers and Burgers & Brats will follow at the end of the day. Even if you don't golf you can come out for the dinner afterwards. In addition to teams, we also need volunteers for the day of the event as well as pin prizes and raffle prizes. Please contact Crag Madson if you can help. Craig.Madson@earthlink.net.

Group Study Exchange—District 5650 is hosting a GSE team from Brazil this year. There are 5 members on the team which plans to be in the area from May 5th through May 12th and will present to Lincoln South on May 10th. Host families are needed for team members as well as volunteers to provide transportation while they are in Lincoln. Contact Joyce Schmeackle if you can help.

Grocery Grab—Nicki Klein reported that David Kenney won Lincoln South Rotary's first grocery grab. He grabbed things like candy, bacon, T-bone steaks, sirloin steaks and a coffee maker. He got to use his Russ's card on the purchase and so he received \$1,009 in groceries. Lincoln South netted about \$1,300 on the fundraising event. Thanks to all who sold tickets. President Pat Grewe filled in as our speaker for the day. Pat spoke to the club about a bicycling trip that he made around Glacier National Park and Waterton Park in Canada. The 2 parks together form a national Peace Park. Pat and his riding partner Tom Wise started riding in Whitefish Montana. They visited Little Bighorn cemetery where general Custer fell. The cemetery is now a military cemetery but also has plots for Custer's Indian scouts.

They stayed in hotels every night. Once they started to get into the mountains, they went through Crows nest pass. The highest point on the trip was 6,600 feet. They came down the pass and crossed a lake. Pat liked the picture he took there so much that he made it his cover photo on Facebook. They came to an old church that had been converted to a coffeehouse. They ended in Blairmore and went back to Waterton Village. This village has quite a

story as a large part of the mountain there broke off and wiped out the whole town.

They saw some farms and some wind farms. The weather was cold & rainy so they stayed at the Bear Mountain Hotel in the park. The next day they rode from Waterton Village to St Mary Montana. This was a very steep ride as they made their way through cattle on the rode as well as other bicyclists. They road through Glacier National Park on the "Going to the Sun" road which was a little scary since there was a lot of traffic.

The scenery was spectacular with beautiful mountain streams and they met many interesting people on the trip.

Saturday July 25th they found their way to Striker Montana. They came into tobacco valley but there was no tobacco there. They went to Jerry's saloon where there was a hitching post for your horse or bike. Sunday July 26th they were in Eureka Montana and left the US for Canada. They noted that Canadian cigarettes are very expensive at \$15/pack.
