As the year draws to a close I am reminded of the many projects and activities that our club has participated in and thankful that we have such active committed members. The District simplified grant was very much appreciated as was evident from the book of photographs Tracey McLain circulated at our Dec. 10th meeting. You may recall that the grant this year was to provide a large screen TV to the Salvation Army Theater room for use by "at risk" children utilizing the center. Tracey also went back to the Lincoln South Foundation and asked for a bit more funds to purchase Bean Bag chairs. Walmart also chipped in to help with the cost of the bean bag chairs. Kudos to Tracey and the many people that helped her complete the project. As is often the case, at our club many Rotarians pitched in to make this project a success. Pat Grewe helped shop and find a good deal for the purchase of the 60 inch flat screen TV. Tracey was also assisted by her husband Ron, Nick Fanning and Patrick to deliver and install the TV. By all accounts the TV has been much appreciated by the children as were the bean bag chairs.

7. **HAVE FUN!**

The guest speaker was Kent Henning from the Salvation Army who was introduced by Tracey McLain.

Kent said that he really appreciated what our club has done for the center. The center is a haven for low income children in the neighborhood.

The Salvation Army was formed in London England in 1865 by William Boothe a Methodist minister who was very frustrated with the state of the church at that point in time. Kent shared that in those days only very pious people who literally bought seats in churches attended. He protested this arrangement as unchristian and was fired from his parish. He started the Salvation Army in the poor neighborhoods in London. The organization first appeared in the United States in 1880 in New York. The Salvation Army came to Nebraska in 1888. It has been in Lincoln for over 50 years.

The organization offers many services to youth. Early afternoon (from 3-8 m-f) the Salvation Army provides after school services to kids that includes a meal. Later in the evening older kids also frequent the center. Many come early to take advantage of the free meal. They are never turned away.

The Salvation Army sponsors a heat share program which is widely used. They also have a food pantry that is frequently accessed. Each summer the Salvation Army offers a day camp that is used by over 300 low income children.

Approximately half of the agencies \$1,000,000 budget is fund raised and it includes bell ringing. Kent mentioned that this year contributions are down about \$20,000 probably reflecting the poor economy we are in nationally.
