04/04/14 MEETING LOCATION

Posted by David Smith on Mar 30, 2014

FRIDAY 04/04/14
WE ARE MEETING AT THE
CLARION HOTEL

*04/04/14 MORT SOULE - "CASEY AT THE BAT"

Posted by Loretta Rowe on Mar 31, 2014

Our speaker/program this Friday will be Mort Soule. Offering a timely talk coinciding with the beginning of baseball season, Mort is a Maine legend in sports and education. Last season he recited the famous poem "Casey At The Bat" by Ernest Thayer, before a full house at Fenway Park. Now he has created a presentation consisting not only of the famous poem, but a short talk about the history of the poem and the lessons that it offers for life and business.

Mort is a graduate of Bowdoin college where he holds the record for the fewest strikeouts in a season. He was a star athlete at Bowdoin, and you can still see him in his black letterman's sweater with the large B on his chest when his alma mater has a big game.

A humorous and engaging speaker who will have great appeal for us, Mort is a unique and intriguing individual and true Mainer. He is also well known as a local sports coach and the longtime Latin teacher at Cape Elizabeth High School.

03/28/14 BGCSM - SERVE MORE KIDS, DO IT BETTER AND WITH STRONGER IMPACT

Posted by David Smith on Mar 30, 2014

Our speaker and host last Friday, was our own **BOB CLARK**, Chief Professional Officer of the Boys and Girls Clubs of Southern Maine (the Club). Our meeting was held at the clubhouse, a spacious and cheerful building on Cumberland Avenue in Portland that opened its doors in 1932. **BOB** was introduced by **PE KRIS ROSADO**, a very active board member of the national club.

The motto of the Club is the title of this article: serving more kids better and with more impact. Over the last few years, in the implementation of that mission, the Club has grown to five locations in Maine, serving over 2100 kids each year. It provides athletics, after school programs, even space for the kids to do their homework each day. The Club believes strongly that not only does education build character, but also sports and just having fun. To that end, it sponsors music programs each year where the kids themselves provide the entertainment.

Bob introduced a number of people on his staff, including Tiffanie Ponagakos, Director of the Riverton Club. She, in turn, introduced Adbifatar Hassan from that club, winner of the National Youth of the Year award. Adbi spoke softly about how honored he was to win that award and how he was looking forward to continuing his education. When asked what he wanted to do in the future, he said he wanted to major in Theatre Arts, become a comedian and make people laugh. Good Luck, Adbi!

Next to be introduced was Karen MacDonald, Chief Operating Officer. She told us about the cooking programs to help kids learn about nutritious foods and the way the Club, in partnership with the Good Shepherd Food Bank, provides afternoon meals, which may be the last meal the kids get until the next day.

Growing up, **PRESIDENT JOHN** was a member of the Club in Charlestown, Mass. In a touching and thoughtful presentation, **BOB** had researched **PRESIDENT JOHN's** old membership number and gave him a new card with his old number.

PRESIDENT-ELECT KRIS ROSADO told us that the "*Maine Outdoor Challenge*" had contributed over \$17,000 to the Club in the last two years. It is money well given and money well spent. Support the Challenge!!

03/28/14 BITS & PIECES

Posted by Robert Martin on Apr 01, 2014

On 3/28, we gathered in the impressive Boys and Girls Club of Southern Maine with **PRESIDENT JOHN** in full South-East-North Boston upscale gangsta garb and accent—who knows why.

We welcomed Portland Councilor Cheryl Leeman and Lester Evans among our guests. Bill York, a recognized part-time Portland Rotary member from the South Portland/Cape Elizabeth Rotary Club joined us. Bill also announced of an upcoming joint club meeting. He and Mike Fortunato are working out the details.

JAN CHAPMAN conducted the growing raffle and provided **DAVID SMALL** a chance to draw the elusive Queen of Hearts, but alas, he drew the 9 of clubs.

ELLEN NIEWOEHNER and **EMILY MCENTEE** reported that \$2,992 had been raised in the Spring Fling Auction held on 3/14/14 (actual amount was \$3,007....with \$8 more contributed by **PRESIDENT JOHN**, who wanted to round up the number....making the total \$3,015 [LR]). Kudos and thanks to everyone who participated.

JOHN CURRAN shared a presentation on the results of the "Maine Outdoor Challenge" (MOC) event and its impact on the 3-H Project in the Dominican Republic (DR). As with all good investments, the MOC contribution to the 3-H project has been leveraged with other clubs to provide in the past 100 hearing aids; training of 3 nurses; and 75 prosthetic hands to our friends in the DR, ranging in age from 2 to 81 years old. This year, the 3-H team has leveraged the \$11,000 MOC contribution to \$22,500. It will allow a team of 15 folks to provide 100 hearing aids, 130 prosthetic hands, and 65 water filters at several clinics in the DR with the assistance of several partner Rotary Clubs.

The next MOC event will be held at the L.L. Bean facility at Wolfe Neck, June 2nd through 4th, with a traditional lobster bake and auction highlighting the culmination of the event. Mark your calendars now, in the event no one else promotes this... **volunteers will be needed.** **PE KRIS ROSADO** (and event chair) shared that the event is now so large, we will be utilizing the biggest barn in Maine to accommodate the crowd, and an expected 45 teams.

PP CY HAGGE asked for donation items for the MOC's live and silent auctions.....looking especially for large "adventure" items, like cabins in the woods, weekend cottages, and such. He is also looking for a shotgun...as an auction item...not that his tenants are in arrears.

PE KRIS also announced the "Sprint for Kids Auction" to benefit the Boys and Girls Club that will be held on Friday, April 4th. For more information, contact him.

Continuing our tradition of recognizing meaningful contributions to our causes by non-members, **PE KRIS** recognized Ed Gosselin with a Paul Harris Award. Ed has been a significant contributor to the MOC event, not only with providing participating teams and contributions, but he was instrumental in helping to arrange L.L. Bean's support of the event.

ROTARIANS WORKING WITH YOUTH

Posted by Loretta Rowe on Apr 01, 2014

On Tuesday, 3/18, **GEORGE CROCKETT**, **BRUCE MOORE** and **JAN CHAPMAN** participated in a 'Take Action' panel at Deering High School. It was a presentation in conjunction with a talk to the school community by Dr. Sima Samar, the head of the Independent Human Rights Commission in Afghanistan. Deering High School has been working to build curriculum around the theme of "Education and Healthcare as Tools for Social Justice" with Dr. Samar's work on behalf of women and children in Afghanistan as an example. Dr. Samar was in Portland to deliver the keynote speech at the Law School's Justice for Women Lecture Series. We were asked to participate on the panel to give examples of what our community is doing to promote social justice both at home and internationally. George told of his experience on Rotary Rotoplast and polio immunization projects. Jan spoke about the 3-H Project (Hearing, Hands and H2O) in the Dominican Republic and Jim and Jan Schmidt from the Portland Sunrise Club told of their recent experience in Kenya with the Crutches 4 Africa program. Bruce encouraged students to 'take action' by participating in a crutch drive for Crutches 4 Africa and consider forming an Interact Club at their school. About 150 students attended and many signed up to learn more about Interact. Bill Nemitz moderated the morning program with Dr. Samar.

Then last Saturday (3/29), **BRUCE MOORE** and **JAN CHAPMAN** attended the New Generations Conference at York High School. Our club invited a group from Deering High School who are interested in learning more about Interact and possibly forming an Interact Club at Deering. Pictured are Bruce, Stavra, teacher Carlos Gomez and Hibaq. Jan and Bruce attended sessions on Interact Club Best Practices, RYLA, Rotary Youth Exchange Program, Fun(d) Raising, International Service Opportunities and Community Service Opportunities among others. It was a great opportunity to learn more about Interact and connect with folks in southern Maine who make Interact happen. Please let **HAROLD CRABILL**, Chair of Youth Services, or us know if you're interested in helping support Deering's interest in Interact.
