President's Corner

Fellow Rotarians,

As we commence the Rotary Year 2011-2012 permit me to congratulate IPP Celia and her team for their achievements in the last Rotary year.

I am extremely heartened by the outpouring of support for my presidency and I can assure you that I will be digging deep within to ensure that we have a successful year with improved fellowship.

Our board has set ourselves an ambitious but exciting schedule which will place focus on:

- **Improving Communication & Fellowship in the Club**
- **Increasing Capacity to Provide Service**
- **Maximizing Leadership Talent within the Club**
- **Advancing the Recognition and Public Image of the Club.**

These can only be successfully achieved through the active involvement of all. In the words of RI President Kalyan Banerjee

We are not here to listen to the naysayers, we are here because we believe in change. That change, any real change, has to come from us, starting from within us, from inside each one of us.

In order to achieve anything in this world, a person has to use all the resources he or she can draw on. And the only place to start is with ourselves and within ourselves. And the questions we need to ask ourselves are: Why am I here? Why are you here?

I look forward to working with you as we **Reach within to Embrace Humanity.**

RI President's monthly message

My dear brothers and sisters in Rotary!

All of us in Rotary are looking to change the world – why else would we be Rotarians? We believe that our world can be happier, healthier, and more peaceful, and that we can create that better world through our service.

In 2011-12, I will ask Rotarians to *Reach Within to Embrace Humanity*. I will ask you to search first within yourselves, to understand that all of us, everywhere, have the same dreams, the same hopes, the same aspirations, and similar dilemmas. When we understand, and truly feel, that others' needs are the same as our own, we begin to understand how important our work is. In the year ahead, we will have three emphases in our Rotary service.

Our first emphasis in this Rotary year will be the family. The family and the home are at the core of all our work – all our service begins here. And through the family, we approach all of our community and indeed, all of humanity, as an extended family, in which all members care for each other. In times of joy and in times of need, no one is ever alone.

Our second emphasis will be continuity – finding the things we do well and taking them to the next level. We must build on our successes, expand on them, and strive to do even more. Of course, our greatest obligation is to PolioPlus, where success is now so close.

And our third emphasis will be change. We must understand that true change can only begin with each of us, and start within us. We cannot share peace with others if we do not have it to give. We cannot look after the whole world without first looking after those closest to us: our families, our clubs, and our communities.

Mohandas K. Gandhi said, “You must be the change you wish to see in the world.” In Rotary, we endeavor to live ethically and honestly, to share friendship and fellowship, to see equal worth in every human being. We are not interested in the lowest common denominator, for Rotary is anything but common. Instead, we work to elevate ourselves, elevate others, and thereby embrace the world.

Together, we will *Reach Within to Embrace Humanity*. And in peace, harmony, and friendship, we will bring change – and a more joyful world.

Kalyan Banerjee
President, Rotary International

RI NEWS

Rotary clubs’ annual per capita dues to Rotary International will increase to US\$51 in 2011-12. The 2010 Council on Legislation also set dues at \$52 for 2012-13 and \$53 for 2013-14.

The World Community Service and Rotary Volunteers programs has been phased out as of 30 June, replaced by a new model designed to expand the resources available to clubs for connecting and partnering with one another. The RI Board approved a shift to a resource and support model for RI programs to reinforce the priorities and goals of the RI Strategic Plan.

Four pilot programs will begin 1 July, designed to improve recruitment and retention, allow for flexibility in club operations and structure, and give clubs an opportunity to explore new and innovative ways to promote member diversity -- all goals of the [RI Strategic Plan](#). For each of three pilot programs – corporate member, associate member, and innovative and flexible Rotary club -- 200 clubs have been selected to participate, and about 125 will take part in a satellite club pilot program.
