ROTARY CLUB OF ASHBURN, VIRGINIA

Volume 1, Issue 21

August 26, 2010

## Membership

Rotary is a worldwide organization of more than 1.2 million business, professional, and community leaders. Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

In each of more than 33,000 Rotary clubs in more than 200 countries and geographical areas, membership provides fellowship opportunities to all members. Rotary club membership represents a cross-section of the community's business and professional men and women. Clubs meet weekly and are nonpolitical, nonreligious, and open to all cultures, races, and creeds.

As signified by the motto Service Above Self, Rotary's main objective is service — in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. They also support programs for youth, educational opportunities and international exchanges for students, teachers, and other professionals, and vocational and career development.

Membership in a Rotary club offers a number of [benefits](#) including:
