- 4) Will it be BENEFICIAL to all concerned?"

"Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourages high ethical standards in all vocations, and help build goodwill and peace in the world."

Literacy Program to Commence at Weller Elementary

On Friday, April 30, the Rotary Club of Ashburn, VA and the Steuart W. Weller Elementary School entered into a community service project. This partnership, designed to help students develop and enhance their reading skills, will commence the week of May 3.

Gathering around a small table in tiny chairs, Nancy Pav, Kathy Knight and Mary Maguire listened intently as Ms. McCarthy explained the fundamentals of the program. "These children just need a little extra help," explained Ms. McCarthy. For as little as 20 minutes a week, a volunteer can provide quality one-on-one time with one of the reading students, helping them develop and improve upon their reading skills.

Nancy, Kathy and Mary have committed to helping out over the next few weeks. Anyone interested in joining in in this worthwhile project should contact Jay Brown for scheduling.

Working with the reading specialist, Meredith McCarthy, Rotarians from Ashburn will have the opportunity to spend precious time with a child, teaching them for reading is not just fundamental, it is an essential life skill that will open many doors for these children.

The Rotary motto Service Above Self conveys the humanitarian spirit of the organization's more than 1.2 million members.
