## Rotary Club of Ashburn to Host Committee Day

On Thursday, August 18, the Rotary Club of Ashburn will host a Committee Day during its regular weekly Club Meeting. Following a "speed-dating format", Rotarians will be afforded an opportunity to meet with each of the Committee Chairs, learning about the exciting opportunities available to serve the Club and our Community.

During the session, the Committee Chairs will provide you with a snapshot of their activities including, when they meet, what they do, what they would like to do, and what resources are needed to help facilitate their mission.

This is a fast-paced approach, with each Committee Chair having five minutes to present and answer questions. At the end of five minutes, members will be required to move to the next table. Everyone, except the Committee Chair, will move to the next table.

- Since we typically have 4 tables at lunch, Mike Schimmel will be presenting at the end to the whole group.
- At the very beginning of the event, the Committee Chair at each table will hand out a sheet of paper to each member with a list of all of the committees. By the end of the session, each member will have checked off the committees they are interested in serving on. If they are on a committee now, they still need to sign up.
- At the end of the session, each member will hand in their paper to John C. and the Membership committee will forward the information to each of the Committee Chairs

Hope you will be able to join us for this exciting opportunity to learn more about the Club, its mission and its members.
