Rotary

We are 1.2 million neighbors, friends, and community leaders who come together to create positive, lasting change in our communities and around the world.

Our differing occupations, cultures, and countries give us a unique perspective. Our shared passion for service helps us accomplish the remarkable.

What makes us different?

Our distinct point of view and approach gives us unique advantages:

- We see differently: Our multidisciplinary perspective helps us see challenges in unique ways.
- We think differently: We apply leadership and expertise to social issues—and find unique solutions.
- We act responsibly: Our passion and perseverance create lasting change.
- We make a difference at home and around the world: Our members can be found in your community and across the globe.
