## January is Rotary Awareness Month.

The world's first service club, the Rotary Club of Chicago, was formed on 23 February 1905 by Paul P. Harris, an attorney who wished to capture in a professional club the same friendly spirit he had felt in the small towns of his youth. The Rotary name derived from the early practice of rotating meetings among members' offices. Rotary's popularity spread, and within a decade, clubs were chartered from San Francisco to New York to Winnipeg, Canada. By 1921, Rotary clubs had been formed on six continents. The organization adopted the Rotary International name a year later.

### Disneyland Facts

1. Did you know Disneyland does not sell chewing gum? Walt Disney did not want guests inconvenienced by stepping on gum purchased in the park.
2. Each year Disneyland uses over 5,000 gallons of paint to maintain the clean appearance of the park
