MARCH

March is Rotary International Literacy Month. Rotary has emphasized literacy for decades and it has been one of the annual areas of importance for successive Presidents of Rotary International. The Trustees of the Rotary Foundation have continued that emphasis in the Future Vision Plan which supports district and club humanitarian and educational projects. Basic education and literacy is one of six "Focus Areas" of the Future Vision Plan and stresses:

- Ensuring that children have access to quality basic education,
- Reducing gender disparity in education,
- Increasing adult literacy,
- Strengthening the capacity of communities to support basic education and literacy,
- Supporting studies related to basic education and literacy.

Become a part of our literacy program , volunteering through the Weller Reading Program.

- 4) Will it be BENEFICIAL to all concerned?"

Did you know that March 1 is National Pig Day - When many people think of pigs they think of mud, slop and bacon. But there's so much more to love about these creatures. Did you know that the reason pigs roll around in the mud is to cool themselves off since they don't sweat? Or that pigs place fourth on the animal intelligence list? Perhaps pigs aren't just for dinner; they also make for charming dinner guests.

Gift Cards Available! Need gift cards. Remember, we have lots of different types of cards available for sale. See John C. for additional information.
