"Of the things we think say or do:

BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all

Did you know...

March 15 is is really National Everything You Think is Wrong Day (who needs that!), it just felt right to note that March 14th is National Potato Chip Day. Did you know that on the average day, the US consumes more potato chips than any other country in the world? Whether you're a traditionalist and opt for the plain variety, or you prefer to dine on one of those fancy new designer chips, be sure to contribute to America's daily average.

Gift Cards Available! Need gift cards. Remember, we have lots of different types of cards available for sale. See John C. for additional information.

"Volunteers are the only human beings on the face of the earth who reflect this nation's compassion, unselfish caring, patience, and just plain love for one another." -*Erma Bombeck*
