ROTARY CLUB OF ASHBURN, VIRGINIA

Volume 1, Issue 47

March 3, 2011

Classification Talks with Charles Kapur and Dr. Stephen W. Hinkle

Welcome! The Rotary Club of Ashburn, Virginia is in for a special treat today with our first double-header classification talk featuring Charles Kapur and Dr. Stephen W. Hinkle,

Charles Kapur, a Charter Member of the Rotary Club of Ashburn, Virginia, will kick off the talks. As Vice President for Virginia Commerce Bank, Charles has been the bank manager of the Ashburn Branch since May 2007. Charles has ten years of banking experience. He received his Bachelor's Degree in Management in 2000 from George Mason University.

Charles shares his home in Nokesville, Virginia with his wife Shalini (shah-Lyn-nee) and three-year-old daughter Kiran. They are expecting their second child this August.

Dr. Stephen W. Hinkle's, who's professional ideal is to listen to his patients and address their problems with the highest standard of care available, will also speak to the Club.

Dr. Hinkle is originally from High Point, North Carolina. He received his Bachelor of Science degree in Biology with minor concentration in Chemistry from the University of North Carolina at Chapel Hill. While in undergraduate, Dr. Hinkle was a member of Phi Eta Sigma academic fraternity, Gamma Beta Phi academic society, and Alpha Epsilon Delta medical fraternity. He then received his Doctorate in Optometry at the University of Alabama at Birmingham School of Optometry.

During his training, Dr. Hinkle was a member of the American Optometric Association and Pi Epsilon Chi Optometric Society. Dr. Hinkle received extensive training specialized in cornea, retina, and neuro-ophthalmology in order to better serve his patients. Dr. Hinkle is a member of the American Optometric Association, the Virginia Optometric Association, the Northern Virginia Optometric Society, the American Optometric Association Low Vision Section, and an InfantSee provider with the American Optometric Association.

In Loudoun County, Dr. Hinkle's office received the award, in 2001, for Best Eye Exam Quality for the entire east coast for doctors located next to a nationwide retailer. His office finished third in the nation that year and the votes were cast by his patients.

As outreach to the community, Dr. Hinkle has provided care and eyeglasses to those in need and Dr. Hinkle is currently an active member of the Loudoun County Chamber of Commerce. Dr. Hinkle's office has provided free lasik consultations to his patients and the community and he actively participated in free vision screenings from pre-school to corporations. While not fluent in Spanish, Dr. Hinkle is proficient enough in the language to conduct eye examinations on Spanish-speaking patients with ease.

Dr. Hinkle's first passion in life is his wife, Dr. Sapho Doan Hinkle, and their two children Ethan and Ella,

Agenda:

1. Pledge of Allegiance

The Four-Way Test

"Of the things we think say or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?"

March is Literacy Month for all of Rotary

Rotary has emphasized literacy for decades and it has been one of the annual areas of importance for successive Presidents of Rotary International. The Trustees of the Rotary Foundation have continued that emphasis in the Future Vision Plan which is the new model to support district and club humanitarian and educational projects. Basic education and literacy is one of six "Focus Areas" of the Future Vision Plan and stresses:

- Ensuring that children have access to quality basic education,
- Reducing gender disparity in education,
- Increasing adult literacy,
- Strengthening the capacity of communities to support basic education and literacy,
- Supporting studies related to basic education and literacy.

Our clubs and Rotarians within the District have always supported literacy initiatives in a variety of ways and can continue to celebrate the month by:

- Volunteering in a local classroom or homework center,
- Help equip a school in a developing country,
- Give dictionaries to schoolchildren,
- Start a mobile library,
- Host a young writers workshop,
- Deliver books to newborns and pre-school children,
- Four-Way-Test Essay contest,
- Recognize outstanding teachers.

We often take literacy for granted in our country and our District but to millions it is still a distant goal and daunting challenge..."a literate world allows the exchange of ideas among peoples and makes possible world understanding and peace..."

Ron Marion, District 7610 Governor, 2010-2011.

March is Literacy Month! Celebrate by sharing your time with a child who wants to learn how to read through the Weller Reading Program. Contact Jay Brown to set up a time. Spending as little as 20 minutes a week with a child will help open doors for them in the wonderful world of reading.
