Larry Deigh Presents His Story

Larry Deigh is a native of Northern Virginia, growing up in Alexandria. He attended Hammond and TC Williams High Schools and then went on to Syracuse University where he received two degrees; a BA in Architecture and a BS from the School of Management. Larry spent 25 years practicing architecture, working for himself for the last 18 of those years. Since 2005, he has been a full-time real estate investor. He moved to Ashburn in 2007 with his wife Lauren and two kids Ilana and Aaron.

Larry will be celebrating his 10th anniversary as a Rotarian on May 8th. Congratulations on a decade of service.

Beginning in July, *The Rotarian* will bring you the same print content you've enjoyed for years -- in paperless form. If you switch to digital, a link to the new issue will be delivered to your e-mail inbox each month from [Zinio](#), the world's largest digital newsstand. Plus download the Zinio app on your iPad, iPhone, iPod Touch, or Samsung Galaxy to take *The Rotarian* digital magazine with you wherever you go.

- 4) Will it be BENEFICIAL to all concerned?"
