ROTARY CLUB OF ASHBURN, VIRGINIA

Volume 4, Issue 46

May 15, 2014

Micah Vieux from Loudoun Water will speak on Thursday, May 15.

In May of 1959, the Loudoun County Board of Supervisors created Loudoun County Sanitation Authority, doing business as Loudoun Water, by a resolution, through the Water and Waste Authorities Act, for the sole purpose of providing water and wastewater service to residents of the unincorporated areas of Loudoun County. These areas are generally the communities east of Route 15 and some communities south of Route 50 to the County line.

Loudoun Water is a political subdivision of the State, just like a Town or a County. All income is received either as user fees from customers or as availability fees from developers. User fees pay for operating expenses. Availability fees pay for capital improvements. Loudoun Water receives no tax money.

- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?”

In early May we delivered diapers to the Ronald McDonald House. The Rotary Club of Ashburn, VA and Serve a Village partnered with The Northern Virginia Diaper Bank to bring diapers to those in need from Loudoun and Fairfax Counties.
