June is Rotary Fellowship Month

Rotary was founded on fellowship, a concept that has been expanded internationally through the Rotary Fellowships, groups that bring together members from different countries and cultures to enjoy a shared interest. In addition to fostering lifelong friendships, Rotary Fellowships keep members active in Rotary, sustaining their interest and further inspiring commitment. The nearly one hundred Rotary Fellowships encompass a variety of vocations and avocations, ranging from sports and hobbies to professional interests — all of which serve as a way to extend international fellowship, friendship, and service. In addition to offering members an opportunity to share their passion for a particular interest with like-minded Rotarians, many individual fellowship groups enable members to use their hobbies or skills to serve others. For example, the Fellowship of Canoeing Rotarians has organized cleanups of polluted rivers, and members of the International Computer Users Fellowship of Rotarians conduct training sessions for Rotarians and other people in their community on how to use electronic media. Members of the International Fellowship of Rotarians with Repaired Hearts — or the “Zipper Club,” as they call themselves — have provided life-saving surgeries to disadvantaged children with severe heart defects.

Rotary Fellowships began informally in 1928 when Rotarians with a shared interest in Esperanto joined together. In 1947, a group of Rotarian boating enthusiasts began flying the Rotary flag from their crafts, calling themselves the International Yachting Fellowship of Rotarians; this fellowship now boasts the longest continuous existence. The scope of Rotary Fellowships has changed much over the years, but today their common purpose is still to unite Rotarians in friendship and provide venues for enjoying their favorite recreational or professional activities.

Washington Nationals offer special seating for the July 30 game with New York Mets.

Rotary Districts 7610 and 7600 are teaming up again this season with the Washington Nationals to eradicate polio worldwide. The July 30 game versus the New York Mets has been designated as End Polio Now Night. We can participate in this special evening by purchasing tickets to the game. For each ticket sold, the Washington Nationals will contribute \$5.00 to Rotary's PolioPlus Fund to continue this important campaign we began over 30 years ago.

Message from the Treasurer:

"I am happy to report that yesterday afternoon I delivered a check to Mary Mitchell for the Ryan Diviney Special Needs Trust. This check was the sum of the net proceed from our 1st Annual Spring Gala.

Check Amount: \$9,000.00

This is an amazing amount that was raised in one event. Now that we know it can be done, let us work diligently to do other fundraisers that would benefit the club."

Yours in Rotary Service,

John Eric Casamiquela
