## Whitney Winn from the Dulles Corridor Metrorail Project will speak on Thursday, May 22.

The Dulles Corridor Dulles Metrorail Project will connect Northern Virginia to the entire metropolitan Washington region. Known as the Silver Line; the project is being built in two phases. Phase 1 runs from the East Falls Church area westward with four stations in Tysons Corner and one at the eastern edge of Reston at Wiehle Avenue. The line merges with the existing line near I- 66 and the Dulles Connector Road and uses existing Orange Line tracks through Arlington County into Washington D.C. all the way to the Stadium Armory Station. From that point the Silver Line will share the Blue Line tracks to Largo, Md. Phase 2 will have six stations and runs from the Wiehle-Reston East Station west through Reston and Herndon to Dulles Airport and Route 772 in eastern Loudoun County.

## Family Member Induction Ceremony

Ashburn Rotary held its first ever Family Member Induction Ceremony on April 12th at Buffalo Wing Factory in Ashburn. The club approved the new member program last fall and inducted five new members. The new family program is in line with Rotary International President-Elect Gary Huang's vision of growing Rotary membership and inviting spouses and family members to join the club! The new members are: Eddie Batten, Ashley Mitchell, Shauna Olevson, Meredith Schimmel and Adam Benware. Welcome!
