## November is Rotary Foundation Month

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

## The Beginning of The Rotary Foundation

A member of the Rotary Club of Cleveland, Ohio, USA, Klumph served as the RI president in the 1913-14 Rotary year. In 1917, Klumph declared that "we should accept endowments for the purpose of doing good in the world in charitable, educational, and other avenues of community service." His vision and a contribution of US\$26 left over from the RI Convention helped to establish the charitable and humanitarian arm of our organization, The Rotary Foundation

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.
