Ashburn Rotary Welcomes Rosemary Tran Lauer

A first generation immigrant, Rosemary Tran Lauer came to the U.S. in 1975 from Vietnam as a single mother with two children, aged six months and three years. With no formal college education and speaking little English, Rosemary worked several jobs, relying on welfare and friends to help care for her children while she worked tirelessly to become financially independent. After earning a degree in cosmetology, she went on to spend over twenty years in the beauty industry where she owned and operated three beauty salons, and was inducted in Marquis' Who's Who in America in 1999. After being treated for breast cancer in 2001, Rosemary made a career change and entered the real estate industry where she is now a commercial realtor with Long and Foster. In her 29 years in America, Rosemary has experienced firsthand the challenges and struggles of a single mother attempting to provide a brighter future for her children. Happily married and a mother of five, Rosemary is working diligently to give back to the same community that made her current success possible. Besides her work with Devotion, Rosemary also serves on the Board of Advisors for Virginia Commerce Bank.
