Rotary Club of Ashburn to Host Committee Day

On Thursday, September 15, the Rotary Club of Ashburn will host a Committee Day during its regular weekly Club Meeting. Following a "speed-dating format", Rotarians will be afforded an opportunity to meet with each of the Committee Chairs, learning about the exciting opportunities available to serve the Club and our Community.

During the session, the Committee Chairs will provide you with a snapshot of their activities including, when they meet, what they do, what they would like to do, and what resources are needed to help facilitate their mission.

This is a fast-paced approach, with each Committee Chair having five minutes to present and answer questions. At the end of five minutes, members will be required to move to the next table. Everyone, except the Committee Chair, will move to the next table.

- Since we typically have 4 tables at lunch, Mike Schimmel will be presenting at the end to the whole group.
- At the very beginning of the event, the Committee Chair at each table will hand out a sheet of paper to each member with a list of all of the committees. By the end of the session, each member will have checked off the committees they are interested in serving on. If they are on a committee now, they still need to sign up.
- At the end of the session, each member will hand in their paper to John C. and the Membership committee will forward the information to each of the Committee Chairs

Hope you will be able to join us for this exciting opportunity to learn more about the Club, its mission and its members.

The Broad Run High School is hosting a BBQ this Friday night at the High School. Contact Shawn for details.

Message from Linda Carducci

The VCB Diaper Drive was very successful. Total count was in excess of 23,000 diapers. Of these, 3,000 were donated by club members. Some diapers were picked up (I understand the cars loaded with diapers was quite a sight!) at the Open House on Saturday. Thanks to our members who were able to get by the Reston VCB office on Saturday. It was quite an event.

The remaining diapers were loaded into a van and delivered to the Loudoun Cares facility in Leesburg. Andy Johnson has generously allowed us to store the diapers in an empty office. He has even made a conference room available for ease in counting and packaging.

Leah and I plan to be at the office on Monday the 18th to do an inventory. Anyone who is available to help is welcome.

The biggest job will be tackled on Saturday, September 24th. Starting at 10:00 we will be packaging and preparing for distribution. Lots of hands are welcome.

I have put both dates/events on the website. You can get the times, address and let us know you are able to participate by clicking on the event. Go to the left side of the home page and navigate down to the upcoming events. Click and respond. Easy peasy.

The Diaper Drive was very successful and we are hoping to make it the launching event for a Diaper Bank. To date we have six different groups serving county residents in need who are willing to participate and assist.

Your willingness to assist with this next step in the process is critical. Please help.

Yours for Service,
Linda Carducci
