DUCKY DASH UPDATE - Jan 10, 2013

President **Nick Abbott** extends a warm Rotary welcome to **Glenn Waki**, who has officially become lead sponsor of our initial Ducky Dash, Fourth of July, 2013, and to **Rich Miano**, our Honorary Chair. And, heartfelt acknowledgement of **Donna Fouts**, Executive Director, **United Cerebral Palsy Association (UCPA)**, who has so freely shared 30 years of Duck Race insights with our committee. She'll be guest speaker at our 1/15 club meeting, when we'll meet Glenn, owner of **MacDonald's Restaurants** in Hawaii Kai, Aina Haina & Kahala, as well as Rich and others. Want to learn more about Ducky Dash and **Duck Adoptions**? Be sure and mark your calendar for this important and informative club meeting, Jan 15th.

- **January 15th Club Meeting**, with honored guests **Glenn Waki, Rich Miano & Donna Fouts**, featured guest speaker. Glenn will present the club with his \$3,000 Ducky Dash Sponsor's Check. Rich as most know, is a former UH & NFL star and present coach of Kaiser High's football team. A firm believer in the *power* of Duck Races, **Donna Fouts** is as much of an expert as anyone about ***HOW TO RACE DUCKS!***
- **January 25-27. Rotary International Peace Conference** at the Waikiki Conference Center. **DG Chet** has announced that *Hawaii Kai Rotary Club* will be allowed a Duck Adoption Center Booth at the Conference. So, fellow Rotarians, step forward and help out at the Booth. **You are needed.**
- **January & February.** With securing sponsors as job 1, participation by all HK Rotary Club members is vital. Every member can help and we'll explain how and provide all the tools. As seeking sponsors may seem a bit daunting, please remember that we are Rotarians, respected the world over for community service. This is a Hand in glove effort. Aloha & Imua.
