FAQ

How will folks find the Duck Adoption Stations? While shopping, they will notice a 6' tall inflated rubber duck perched atop a car parked in the lot near the DAS. A large banner will draw additional attention. They'll see Rotarians carrying clip boards of Duck Adoption Certificates (DAC), and scurry over to see wassup. IMUA!

How will folks actually adopt a duck and why? They'll write their name & phone # on the stub of a DAC, and a Rotarian, or helper, will detach that, leaving them with the DAC and Rotary with the stub. The stub & the DAC will be #'d, as will the ducks. Winning ducks=fabulous prizes for the folks holding a corresponding DAC. (Only \$5 ea).

In addition to helping with duck adoptions in the shopping malls, each Club Member will have pads of DAC for family, friends & associates.
