## President Jan Black's Message

### Aloha Friends & Fellow Rotarians

Last Friday was a milestone for the Rotary Club of Hawaii Kai, a very important one that will change the direction for our club as we proceed to complete plans for the remainder of the year. With great support from District Leadership, as well as our finest effort from members, I believe our 18 guests received an excellent introduction to Rotary and have a sense of how they might be part of the awesome Rotary Family that our guest speaker Past District Governor Linda Coble so aptly described.

I have sent thank you notes to our guests and invitations to our meetings as well as including them in our Newsletter mailing list. Each guest has unique attributes that will proudly add to our fabric as we look forward to welcoming them as fellow Rotarians in the near time. Aloha to All.

At our 4:00 Board Meeting Tuesday 2/17, at Zippy's, we'll discuss the details of our forthcoming projects, including *Rotary Saves Lives* and *DD-15*. Please plan to bring your ideas and suggestions about our successful completion of a great Rotary year. New ideas are always welcome, and we'll discuss projects that are waiting in the wings. Without a doubt there is a role for each member to help grow & strengthen our club. We're aware of additional potential members, as we plan for another Luncheon. Thanks to all and see you on Tuesday . Aloha & Best wishes, Jan
