*President Jan Black's Message*

*Dear Club Members,*

The following letter from Steve Chigawa is indeed heartwarming, as it provides a glimpse into our club's Student Scholarship activities. As many of you know, we have a close relationship with Windward Community and the Don Aus Foundation through Jane Yamashiro.

From Steven Chigawa, Windward Community College,

**Aloha Janeth,**

**Mahalo again for the generous hearts of Hawaii Kai and the Aqua Fitness Group. Hollister Iwashita, a 2011-2012 scholarship recipient will be attending the birthday celebration with me. Hollister graduated from UH-West Oahu and is now a counselor at Windward Community College's Ka Piko Center where she assists college students in refining their academic skills and defining their purpose as a student and in life. If time permits, she can briefly share how the scholarship helped assist and encourage her in her academic career and how she is able to give back to the community as a result. Mahalo Janeth, have a good trip. Steven.**

During my absence, PDG Chet will conduct meetings. You'll hear all about the wonderful TES experience and what it will mean to our club.

*Aloha Kakou, a hui hou, Jan*
