Aloha All

On our quest to build and strengthen our club, we've added a fantastic individual to our ranks, who possesses great character and willingness to give back, **Liam Martin (wife Amber)**. Liam will be a much welcomed addition to our group and I believe he understands the power of **Service above Self**.

When we believe in the power of service, we can accomplish goals that lie at the very heart of Rotary. By making service our priority, we put the needs of others above our own. We empathize more deeply with the difficulties of other people; we become more generous with our time and resources, and more open to new ways of think-

ing. Instead of trying to change others we recognize that everyone offers different perspectives from which we can learn.

I am eager to lead us into a fantastic year of growing our core of great Rotarians and having a whole lot of fun along the way. I hope you all will join me and enjoy more *good will and better friendships*.

Thanks **Paul** for a great presentation this month on our proposed fundraising project for the year! I am so honored to be supporting a possible annual event that could endow our scholarships & projects indefinitely.

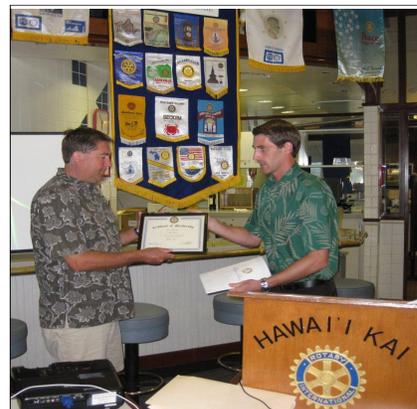

My very best,
Nick Abbott, President

Paul Piper displays the dramatic Power Point Presentation he prepared for a potential project

Potential Project

Members have thought about and talked about the possibility of our club holding one fund raiser each year that will create sufficient cash flow to allow us to perform our community projects as well as adding a new dimension that will vastly expand our scholarship granting capability. One thought that came to mind was to hold an annual Duck Race featuring wonderful prizes, with a method that will allow us to raise money in bite size bits. See you Tuesday.

Liam Martin becomes the newest Rotarian on earth as President Nick welcomes him to the club.
