

*Rotary is Service above Self*

**OK, so what is a Duck Race, anyway?**

Visualize thousands of little yellow duckies floating around the waters of Hawaii Kai, near the podium, each with its own number. Standing or sitting near the podium, having a picnic, surfing, at home watching sports or cooking, taking a nap or enjoying a cruise in the Baltic Sea, owners of *Duck Adoption Certificates* with numbers that corresponds with a duck - yes, it begins to gel - eagerly await to see if their little rubber duckie will drift across the finish line, at the whim of tide & wind, thus delivering a wonderful prize.

It starts with folks adopting ducks, Hawaii Kai Rotary collecting wonderful prizes and putting the event together for its July 4, 2013 tentative debut. Then distributing any net proceeds to our projects and to **SCHOLARSHIPS!** Discussion Tuesday!

Past President **Judy, Alex, & Jan** enjoy dinner and **Paul's Duck Race** presentation. More discussion at July 30th meeting

Never know who you'll see at Roy's. For example, Doc & Susan Spangler, President Nick & Jeannine Abbott, Past President Judy J & DG Chet Dal Santo - 4th of July

Yes, **Paul Piper's** Power Point Presentation was well thought out and presented, by Paul.
