Our scheduled speaker did not show up but we had a very spirited meeting anyway. PP Henry DeButts gave us a rundown of what will take place next week with five parents and students being inducted into the Interact Club of Kaiser Hawaii Kai. 42 students have been confirmed to attend the presentation.

President Nick Abbott gave us a Rotary Minute. The first contingent of Rotary Members arrived in the Islands in 1915 on the Luraline. July 1st 1915 was the first club chartered in Hawaii on Oahu. Rotary had a total membership throughout the U.S. of 20,000 members at that time. It was announced that our newest member William Martin will step up and become a Board of Director member as well as the Foundation Chairman.

A big discussion began when Janneth Black was asked to bring us up to date on the Rubber Ducky race progress. The discussion centered

on all the small things that need to be addressed by the committees and not necessarily the club in general. After approximately 25 minutes of non conclusive discussions it was noted the discussion be extended to the next board meeting.

### **HUMOR CORNER**

A blind guy on a bar stool shouts to the bartender, "Wanna hear a blonde joke?"

In a hushed voice, the guy next to him says, "Before you tell that joke, you should know something."

Our bartender IS blonde, the bouncer is blonde. I'm a 6' tall, 200 lb black belt. The guy sitting next to me is 6'2", weighs 225, and he's a rugby player. The fella to your right is 6'5" pushing 300 and he's a wrestler. Each one of US is blonde. Think about it, Mister. Do you still wanna tell that joke?"

The blind guy says, "Nah, not if I'm gonna have to explain it five times."
