It was announced that Kaiser athletic department director will allow use of the athletic department to

There was discussion of the Girls Court Computer Group where Henry of Cyberzone teach wayward girls computer repair and use so they will have some type of career to move into.

Words of Wisdom

“.....it’s only when you hitch your wagon to something larger than yourself that you realize your true potential.”

Barack Obama

The above projects which will all be completed by year end will take a lot of help from as many members as possible and will leave a lasting mark on the community of Hawaii Kai.
