We were again blessed with TWO great speakers for our meeting on Tuesday, Nov. 19 when Mr. Jay Ogden, a new member, volunteered to speak concerning the Community Emergency Response Team (CERT) training, he has recently completed. CERT is offered in Hawaii by the C&C of Honolulu, Department of Emergency Management. The program is open to all who wish to volunteer for the 3 day - 24 hours of training. There is no cost for the program only your time. And, as Jay Ogden, believes, it's worth every moment of the 24 hours. There are 16 hours of classroom training and 8 hours of practical training. "You really learn how well prepared we are for an emergency. And what we can do to make an emergency, when it happens, tolerable." Jay Ogden has volunteered for the next three years to coordinate the Community Emergency Response Team in the Waiupe Valley (Aina Haina). Call him (590-3592 or email:

aquapicsoahu@yahoo.com) for more information on CERT and the Waiupe Valley CERT activity.

Our second speaker, needs no introduction. The reelected president of the Kaiser High School INTERACT club, spoke to our club about their program to help out in the Philippines after the major storm damage there.

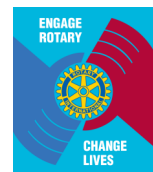

Dillon Ramos, spoke well of the relationship with INTERACT and our club. He gave us some ideas as to how we could help with the disaster in the PI. Of course money is always welcome. However, he also spoke about the personal needs of our friends there. They need **FOOD AND CLOTHING** mostly. So, call Melanie Long if you wish to make a donation of \$\$\$\$ or **FOOD AND CLOTHING**.
