**ClubRunner presentation.**

Thanks to Ray Philp for a guided tour and refresher on ClubRunner. 20 out of 50 clubs in the District are now using it. Key points included:

- Calendar – all the year’s events are on this front page, to help members who are planning dates for events.
- Use the ‘Committee’ tab/module so that minutes can be easily viewed by all, and a permanent record maintained.
- Email – you can send Rotary-related emails via ClubRunner so that records can be kept of it, and sent to a current email.
- The District Directory is available at the District site and a great aid to efficient communication

The furniture from Accordwest stored at Gordon Golby’s shed will be disassembled and flat-packed in preparation for transport to Timor. It will be Wednesday at 9am. Contact John Gray for more details.
