THE BULLY

Number 5 : 31 July, 2013

July is Literacy Month

Quote of the week:

One pearl is better than a whole necklace of potatoes

Guests at our meeting were **Dr John Purdie**, new ICU director in Bunbury, and our exchange student from Japan, Mami, who last week went to Sydney with her host mother.

Neil Sinclair reported on interviewing students for the National Youth Science Forum. Students had a short time to prepare a 4-minute speech, then a 10-minute interview, and then a problem-solving challenge. The calibre was high, and he encourage members to consider attending future selection days.

President Stephen has dubbed the 2-minute personal talks on the program this year as 'A moment of significance'.

Dean Freeman spoke about the announcement of council mergers in Perth, and how the ability to respond to change is critical.

Jim Stephen recounted an episode where he learned the difference between a first-world and third-world country, as it related to and import saga. Thank you Dean and Jim!

Gordon Golby swelled the coffers admirably with a great fines session.

President Stephen reported on the Rotary International Conference in Portugal in June. He gained an enormous insight into the scope of Rotary International, and that one gains a sense of being a Rotarian, more than a member of a Rotary Club. The quality of speakers and presentation was superb. There were some 25,000 attendees, and the House of Friendship was the focal point for meeting others.

He encouraged us all to seriously consider attending the Conference in Sydney next year, <http://rotary2014.com.au/> and to watch New RI President Ron Burton's address, on your tube at:
