Vocational visit meeting –

Thanks very much to Piacentini and Son management for their time to take us through—both in word and on foot—their earthmoving operations in Picton. Also thanks to Murray Harris for putting on a great BBQ at his Tyrepower operations afterwards.

Members were impressed the strong culture of high quality work embedded into Piacentini and Son. The magnitude of their work is expressed in so many ways and we are grateful for their contribution to economic and community life in the South West and further afield over many decades.

What's coming up in the social calendar?
