THE BULLY

Number 21 : 20 November, 2013

November is Rotary Foundation Month

Quote of the week:

It is wrong to fiddle while Rome is burning; but it is quite right to study the theory of hydraulics while Rome is burning.
Chesterton

George Barnes Award at this coming week's meeting

At our meeting on 27th November, the George Barnes award to the most outstanding apprentice in the building trades at the South West Institute will be awarded. There is an illustrious list of former winners, and the awardee's family and friends will be in attendance, along with representatives of SWIT and co-sponsor Bunnings.

Vocational Visit to MJB Industries

Last Wednesday 20th November, MJB Industries hosted a tour of their operations at Treendale. This locally owned and operated company produce premium concrete pipes, culverts, and specialty precast products including tilt panels, tree grates, retaining wall, soakwells, road barriers, among many others.

They have gone through massive recent growth, which shows no sign of abatement. Their sound and practical business know-how have resulted in many benefits to the community. Thank your MJB for your time, and well done!

Thanks are also due to the Vocational committee and others who organised the evening.

()otos of the visit follow, with thanks to Gordon)
