TBA	Meeting of the Black Tie Ball organising committee

**e Club: Statistics from the editor of e club, the make up website show a drop in the number of e-makeup's worldwide.** Sandro Agrizzi who takes an interest in these matters asks the question why is this so?

**Condolences:** To Sandra Main who lost her mother recently.

**President Neil:** Welcomed Andrea Feast and David Feast and thanked Cedric for organising the Club visit to the BMX track and the BBQ. Cedric reported that the evening had raised \$650 from which the BMX Club now has a new lawnmower for mowing grass at the track plus some fertiliser to make the grass grow faster which will then be mown with the new mower. Cedric said the BMX Club will be hosting the Australian BMX Championships in 2012 that is forecast to bring in \$5 million into Bunbury. The BMX Club will probably need some help to run this event and may call on Rotary to help. A larger event in the future has potential to benefit Bunbury by \$15-\$20 million.

**Pre elect Glenys** said the recent Rotary Conference was a great success especially the calibre of the speakers. As reported last week Ben was the overall, clear cut winner of the Waist Disposal Challenge. (Ben reports that a few extra kg have since fallen off and has now lost 70kg. This is enough Ben !). South Bunbury Club came third in the District but without Ben's stellar performance we would have been well down the list. Next year the Conference will be held at Kalgoorlie. Sandro is believed to have registered already and there was an oblique reference to discounts before 4pm for seniors. Don't know what this was about.

**Roger Veen** thanked all those members who helped with SIL last weekend. Only 2 more sails to go for the year. Roger said David Gornall a senior DSC Manager and Shayne Silcox, CEO of City of Melville and a DSC Board member visited a recent Sail into Life activity and were most impressed with the program. Well deserved Roger and to all the members who are helping with this venture which is appreciated by those participating. Roger read out a letter sent to the

Bunbury Mail recently by Ron Hayes, a blind man who recently joined SIL. The joy this man obtains from sailing exemplifies what Rotary is all about.

**Murray Harris** Presented the Club with a cheque for \$1800 from sales of old batteries that he and Sandro have organised ex Piacentini and Sons. Another 6 tonnes are awaiting sale. Murray hopes this will enable a well or maybe two can be built in Uganda and also assist in the purchase of medical equipment in Lebanon.

**Andrea Feast:** Outgoing GSE Team Member to Portugal, Andrea gave an excellent talk on what she hopes to achieve during the visit. Andrea is a scientist working in the Path West laboratory at By Regional Hospital and is well qualified to learn from the Portugal visit. Andrea was born in Chile and is fluent in Spanish. You will be a great ambassador for our Club Andrea . Rotary Foundation Director Mike Honeybell presented Andrea with her team jacket and looks on approvingly.
