May 22 nd	District Assembly-South West
May 29 th	Salvo's Red Shield Appeal
June 1 st	12pm Lord Forrest- John Poynton Guest Speaker. Meeting at Rose Hotel in evening cancelled.

From PP.Trevor Wilson: Just did a make-up at the Rotary e club of SouthWest USA, in my opinion, one of the best e clubs around. I encourage any member wanting to do a make-up to check this Club out. They always have interesting speakers and lots of good information. Half an hour passes very quickly.

PP Sandro Agrizzi chaired the meeting on May 4th. The fact that he and Terry Pains were dressed in black should not be interpreted as having any connection with the recent death of a Middle East activist. Sandro welcomed Lee who was there to see that Frank Hayward in the finest traditions of Rotary and journalism stuck to the truth when making his presentation.

John Goldie said there really needs to be about double the numbers of members who have so far indicated they can take part in The Salvo door knock appeal on Sunday, May 29th, i.e. about 30 hands and feet are needed to collect from our area and so far we have 15. See if you can perhaps recruit a few friends, relations etc to join in and also attend the BBQ afterwards which will be held at a fine location at a members home and will be great event, trust me. Captain Trevor says

the response from other service Clubs is a bit patchy at the moment but if South Bunbury can set the pace this may inspire them to lift their numbers. The drill on the collection morning will be to gather at the member's house where the BBQ will be held, to pick up maps and materials and start collecting at 0930 returning to base by 1130. Please let Linda Carr know you can be there.

Ray Philp said three teams from SBRC took part in the recent Give a damn, give a can collection to support Rotary Club of Leschenault. Event went well and more cans collected than in previous years. Good effort Ray and his teams. Hopefully this effort will buy supporting credits for the Salvo DoorKnock Appeal.

Morris Johnston reported that the Rotary Light is again shining at Bi-Centennial Square after vandals broke a lens. Originally the stand supported a clock but was not replaced after vandals wrecked the clock which was erected as a result of the efforts of Morris to have a memorial erected to recognise PP Ray Mark a tireless worker and great Club member from the 70's.

Quiz in aid of Bunbury Sea Rescue Jim Wilkinson asked members to support a quiz night on Saturday May 14th. Tables of 8 and \$10 a head = \$80 a table. Give Eliot Fisher a ring on 9796 0978 if you would like to book a table and support Bunbury Sea Rescue who do a mighty job in rescuing and keeping a listening ear out for people who get into trouble on the waters around Bunbury.

James Hayward gave a great presentation on the work of a television journalist using a series of clips to illustrate his talk. James started out in TV 18 years ago with Channel 10 and has been with GWN for about 12 years, currently producing news items from Carnarvon north each day. He also runs Firey Productions which produces about 1000 TV ads a year. James loves TV for communicating because of its visual impact to get a story across and illustrated this with examples of cars exploding on the race track etc. Role of the journalist in bringing dodgy situations to everyone's

attention when the government, firm or agency is doing their best to restrict release of information is considered a good thing to offset trend by govts etc to be more secretive.
